## PTA VALENTINE BAKE SALE

## CHILDREN'S MENTAL HEALTH 3<sup>rd</sup> to 9<sup>th</sup> FEBRUARY 2020

This week was Children's Mental Health Week and the theme was 'Find your Brave.' I am sure that we have all had occasions where we have needed to 'find our brave' and this goes for our children too. Please find below a useful website for parents and carers who would like to become more informed about our children's mental health and wellbeing.

## DODGEBALL

Congratulations to the Year 5 Dodgeball Team who came 1st in the latest competition! The children scored the highest for 'Team Values' which included honesty, respect and teamwork. They will now move forward into the final against five other schools. What a fantastic achievement for our children who always role model our school values of 'Love, Joy, Respect'.

## HAND WASHING

To help stop the spread of respiratory viruses, Public Health England recommend the following: Wash your hands often with soap and water for at least 20 seconds. Use an alcohol-based hand sanitiser that contains at least 60% alcohol if soap and water are not available. (This is particularly important after taking public transport). Avoid touching your eyes, nose, and mouth with unwashed hands. Avoid close contact with people who are sick if you feel unwell. Cover your cough or sneeze with a tissue, then throw the tissue in a bin. Clean and disinfect frequently touched objects and surfaces in the home and work environment. If you are worried about your symptoms, please call NHS 111. Do not go directly to your GP or other healthcare environment. Please visit: [Public Health England Blog](#) There is currently no vaccine to prevent 2019-nCoV acute respiratory disease. The best way to prevent infection is to avoid being exposed to the virus.

## BEE KIND

TGAT have developed a Kindness Calendar for 2020. Every week there will be a different theme. This week's theme was 'Go for a run or a bike ride' and for week commencing 10<sup>th</sup> February 2020 it is 'Thank a teacher'.
