CRAFTY CORNER

Why not use recycled materials to create something useful? You could recycle an old plastic bottle or milk carton to create a piggy bank. Ask an adult to help you make a slit at the top where the money can go in. You could paint your bottle pink and create ears, eyes and use a felt tip to draw nose holes on the front. You could be adventurous and use other recycled bottle tops to glue on as legs! Please send us a photograph of your finished project.

BEE KIND

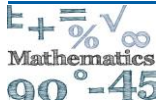

The theme for week beginning Monday 6th July 2020 is 'Offer to help someone that is struggling'.

KEEPING CHILDREN SAFE

The Department for Education has published new guidance with Home Office, the Department for Culture, Media and Sport, and Public Health England on keeping children safe from abuse and harm. The guidance provides advice for parents and carers about the main risks children may be particularly vulnerable to at this time and signposts available help and support. The guidance can be found here:

PURPLE MASH

Please check the Purple Mash blog for daily Maths problems to solve. Each day there will be three different problems to solve.

WORD OF THE WEEK

This week's word is congratulate. Please ask your child what it means and ask them to verbalise a sentence that includes the word to deepen their understanding.

KS1 AND KS2 REPORTS

Parents of pupils in KS1 and KS2 received a Spring report for 2019 - 2020 in April, which provided an overview of your child's achievements and identified further targets for development. I am aware that due to Covid-19 pandemic, we were unable to offer you a formal opportunity to discuss its contents with your child's class teacher. If you have any questions about child's report or you would like to discuss ways to support your child with preparation for next academic year, I would actively encourage you to request a telephone consultation appointment via our school email address at office@yewtree.tgacademy.org.uk
