We have been investigating the number 2, for example

*counting in steps of 2, i.e. 2, 4, 6, 8, 10 and 1, 3, 5, 7, 9, etc etc

*putting objects in sets of 2 and counting the odd and even pattern.

We have also been chanting ordinal numbers i.e. 1st, 2nd, 3rd, etc and pretended to be the animals when entering the ark.

Have Fun.

Parents this homework is all practical and not designed for you to produce pages and pages of work, however if your child produces anything name the work and bring it into school on Wednesday morning or at your convenience during the week.
