

Homework for EYFS 2: Rowan

This week's homework 12.2.21

CLL: Communication, Language and Literacy

This week we have been learning the letters
ow, oi

- Practise reading and spelling the humpty words
come, are, we, you
- Can you form these letters and your first and
second name correctly?

Maths

This week we have been adding numbers together to gain totals. Try rolling 2 die and adding the 2 numbers together. Write down all the different number sums you can. Try placing the higher number first and see if you get the same totals. Try higher numbers 7, 8, 9, 10, 11, and 12. Have Fun.

Parents this homework is all practical and not designed for you to produce pages and pages of work, however if your child produces anything name the work and bring it into school on Wednesday morning or at your convenience during the week.

Thank you
Miss Khosla

Challenge forward...

After half term we will be:

- Learning about 'People who help us.'
