

Homework for Maple Week 3 – 23/9/21

Reflect back...

This week we have been:

- Continuing to reinforce our knowledge of place value with numbers up to 100.
- Writing interview questions for characters from our focus text, 'The Last Wolf'.
- Creating Ladybird Houses as part of our 'Microhabitats' Science topic.

Challenge Forward...

Next week we will be...

- Partitioning 2 digit numbers into different combinations.
- Researching wolves to create a non-chronological report.
- Creating artwork in the style of Giuseppe Archimboldo.

Homework to be handed in by next **Wednesday 29th**
September.

Reminders:

1. **Please remember to put your name on your homework.**
2. **Keep practising putting your tie on. Remember you could put some elastic on it.**
3. **Keep practising life skills of opening water bottles and tying shoelaces.**

Challenge 1: Little Red Riding Hood reading comprehension.

As well as having the ability to phonetically read, children must also be able to comprehend what they're reading. Please help your child to read the text and then spend time discussing the answers to the questions as well as how to find them.

Modelling these retrieval skills will help your child to do this confidently and independently in the future.

Challenge 2 (Optional): Ahead of next week's artist focus in Art and Design, can you make a picture out of food? Here are some ideas for inspiration!
