

## Homework for Maple Week 5 – 8/10/21

### Reflect back...

**This week we have been:**

- Counting in 2s and 5s
- Talking about and drawing our family trees.
- Writing instructions on how to make a wormery.
- Learning an autumnal song in music.

### Challenge Forward...

**Next week we will be...**

- Writing persuasive letters to the council!
- Making wormeries in Science.
- Continuing our learning and developing an appreciation of the artwork created by Giuseppe Arcimboldo.

Homework to be handed in by next **Wednesday 13<sup>th</sup>**  
**October.**

#### **Reminders:**

- We are collecting tins of vegetables in Maple class as part of our Harvest donations. Please donate if you can.

- Please send in large, empty drinks bottles if you have them. These will form part of our wormeries.

**Challenge 1:** To consolidate your learning of the 5 times table, please complete the superhero maze activity sheet.

**Challenge 2 (Optional):** Talk to your parents about the family tree that you created in History. Who was part of your family tree? Can your family tell you more about your family history?
