

# Homework for Willow

28.1.22 Due 2.2.22

## Reflect back...

This week we have been:

- Focussing on similes and synonyms in English.
- Subtracting using a number line in maths
- Looking at right and wrong in Religious Education.

• **NUMBOTS**

## Challenge Forward...

Next week we will be...

- Making houses for the 3 little pigs out of lego, cardboard, straws, paper and pencils and predicting which house will stay upright when a hairdryer is blown at it is science.
- Learning about suffixes in English.
- Counting between 0 and 50, grouping objects within 50, and making amounts with tens and ones.

Homework to be handed in by next Wednesday at the latest!

Practice your spellings- we have a few this week.

Also, remember to log in to Numbots! Your username and password are in your diary!
