

Homework for Willow

1.4.22 Due 6.4.22

Reflect back...

This week we have been:

- Balancing number sentences in maths.
- Measuring different objects around the classroom and comparing their height.
- Learning about the Easter story in RE.
- Creating our own post cards from Beegu to his Mum and Dad.

Challenge Forward...

Next week we will be...

- Make our Easter cards.
- Begin to count in tens.
- Collect and record rainfall in Science.
- Create our final masterpieces based on Henri Matisse's work in Art.
- Go on an easter egg hunt in maths!

Homework to be handed in by next Wednesday at the latest!

Complete the comprehension work that looks at making Easter Egg Nests.

If you would like to have a go at making the nests, feel free to send some photos in to the school office of you baking at home.

Also, remember to log in to Numbots and mathletics. Your username and password are in your old diary!
