

## Year 1 Spellings

Test Date – 27.5.22

Your child will be tested on their spellings on a Friday. In spellings, can you encourage this learning method: 'look, say, cover, write, check.' Your child will remember these spellings for longer if they are studied throughout the week. We would suggest 5-10 minutes each evening. Please help your child learn these spellings for a test on Friday 27<sup>th</sup> May 2022.
