

Introducing your PTA committee

Chair

Lou

Hi everyone, I have a son Ethan in Acorns who joined the school last September, so I thought I'd throw myself in at the deep end and volunteer to be Chair of the PTA. I do have over 20 years' experience in marketing and events though, so I'm hoping to bring some good ideas over the next year or so.

I'll also be looking to get lots of input from parents in terms of events you'd like to see, what you'd like to be involved in to make them a success and how you want us to communicate with you.

I'm looking forward to organising some great events this year as we start to get back to normal and bring the Yew Tree school community together.

Vice Chair

Louise

I'm mum to Alex in year 5 and Matthew in year 2. I've been involved with the PTA since Alex joined Nursery and have really enjoyed supporting school in this way as well as getting to know lots of different parents, usually whilst carrying tables up to top pitch or folding raffle tickets!

Helping the PTA doesn't have to mean a big time commitment - any support you can give through the year, from packing away chairs at the end of an event to wrapping Christmas presents - makes a huge difference and is really appreciated.

Treasurer

Maricla

I am the mum of Elsa in Year 2 and it's the first time I've covered a role like this. But data analysis and management is my profession, so I'll do my best to keep the PTA finances organised and transparent. I hope to introduce some new smart features to process payments and boost our funds (so please watch this space!).

Vice Treasurer

Jacqui

Hi everyone, I'm mummy to Amaris (year2) and Twins (Arnan & Anikah in Acorns). I am excited to be helping out our PTA as a Vice Treasurer and I am sure my commercial banking experience will come in handy.

Socially, I really enjoy running and everything fitness and I am a keen fundraiser. I think it will be great to arrange some fundraising events for our school and have fun along the way. I am easy going and very approachable 😊.

Secretary

Caroline

I'm the mum of Charlie (Year 5) and Robbie (Year 3) and I've really enjoyed helping out with the PTA over the last 5 years.

I love seeing families having fun at our PTA events, and seeing pupils benefiting from something new the PTA has funded. I've also made several close friends through the PTA, and it's been a great opportunity to meet new parents and carers from different year groups.

Whilst we've not been able to run many PTA events during the pandemic, I'm looking forward to getting things back on track in 2022 with our new PTA committee.
