

## Multiplication and Division

Please find attached a clear outline for the expectations regarding multiplication and division for Year groups 1 - 6 taken from the National Curriculum. It is important that we maintain the core mathematical skills of our children and at the very heart of that is their multiplication knowledge. Daily practise at home and in school is **vital**. Please encourage your child to practise as often as possible and approach learning their multiplication facts in a **variety** of ways.

<b>Expectations for multiplication and division tables for each year group:</b>	
Year 1	Count in multiples of 2,5 and 10. Recall and use doubles of all numbers to 10 and corresponding halves. Make connections between arrays, number patterns and counting in 2s, 5s and 10s.
Year 2	Recall and use multiplication and division facts for the 2, 5 and 10 multiplication tables, including recognising odd and even numbers.
Year 3	Recall and use multiplication and division facts for the 3, 4 and 8 multiplication tables.
Year 4	Recall multiplication and division facts for multiplication tables up to 12 x 12.
<b><u>Multiplication Tables Check (June 2024)</u></b>	
Year 5	Revision of all times tables and division facts up to 12 x 12.
Year 6	Revision of all times tables and division facts up to 12 x 12.

## Autumn 2 – Multiplication and Division

During the Autumn term children will revisit multiplication facts from the previous year to develop fluency and embed key multiplication and division facts.

### TTR Focus during morning registration:

Monday	Tuesday	Wednesday	Thursday	Friday
Year 3	Year 4	Year 5	Year 4	Year 6

Week:	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Focus:	Mastering Number	Mastering Number	2x, 5x and 10x tables	3x, 4x, 8x tables	6x, 7x, 9x tables	6x 7x 8x 9x tables
Week 1			10x multiplication facts	3x multiplication facts	6x multiplication facts	6x multiplication and division facts
Week 2			10x division facts	3x division facts	6x division facts	7x multiplication facts
Week 3			5x multiplication facts	4x multiplication facts	7x multiplication facts	7x division facts
Week 4			5x division facts	4x division facts	7x division facts	8x multiplication facts
Week 5			2x multiplication facts	8x multiplication facts	9x multiplication facts	8x division facts
Week 6			2x division facts	8x division facts	9x division facts	9x multiplication facts
Week 7			2x, 5x and 10x mixed facts	3x, 4x and 8x mixed facts	6x, 7x and 9x mixed facts	9x division facts
